Good afternoon Don,

Thank you again for your time this afternoon. As we have discussed, it is unfortunate to hear the Board's decision. Unfortunately, we are unable to proceed at this time and request that our SEP applications for the solar and the storage projects be withdrawn.

We truly appreciate your support throughout the permitting process along with Olivia's support as well. If you should need anything in the future or have any questions, please feel free to reach back out to me. Again, thank you and your team for your time and assistance.

Sincerely,
Robin
